Since leaving the White House, Myers has worked as a Contributing Editor to *Vanity Fair* magazine, frequent political commentator on NBC and MSNBC, consultant to the NBC series, *The West Wing*, and writer. In her book, ***Why Women Should Rule the World***, Myers blends memoir, social history, and a call to action to challenge us to imagine a not-too-distant future in which increasing numbers of women reach the top ranks of politics, business, science, and academia.
